Children	<p><i>Who:</i> Children Parents/ Carers Staff Visitors</p> <p><i>How:</i> Contact with persons suffering from coronavirus</p> <p>Contact with persons who may have been exposed to coronavirus</p>	<ol style="list-style-type: none"> <li>1) Only children who are symptom free or have completed the required isolation period should attend or achieved a negative test result.</li> <li>2) Lead Practitioners will risk assess the health and well-being for returning children.</li> <li>3) Children should wear a clean set of clothes each day into nursery.</li> <li>4) Nursery will provide sun hats.</li> <li>5) Spare clothes should remain in the nursery in a named bag - not plastic carrier bag - and left at nursery.</li> <li>6) Staff will request replacement clothing as required.</li> <li>7) Soiled or wet clothing will be place in a nappy sack.</li> <li>8) Children can bring a comforter into nursery - these maybe washed in nursery i.e., muslin cloth. NO soft toys or toys from home. This is in place to minimise items from home to nursery and home again.</li> <li>9) Sun cream will be applied by the nursery staff wearing a fresh pair of gloves per child.</li> </ol> <p>Updated 08/09/2020</p> <ol style="list-style-type: none"> <li>10) All children returning from a country where quarantine is required will be expected to do so. Once their quarantine period is completed you can return to work. Note, only the people who are returning from abroad need to isolate, not the whole household. The requirement to isolate depends on the published guidance at the time the person re-enters the UK.</li> </ol>	M	<p>Taking temperatures: Settings do not need to take children's temperatures every morning or throughout the day.</p> <p>Public Health England's guidance is that routine testing of an individual's temperature is not a reliable method for identifying coronavirus. There is no need for anything other than normal personal hygiene and washing of clothes following a day in a childcare setting.</p> <p>Parents worried about symptoms should use the NHS 111, and or NHS online.</p> <p>Testing is now available for all with symptoms. Where there are symptoms, parents/ carers are strongly recommended to take part in the government's testing programme for COVID-19 and ensure that the results are communicated to the Nursery Manager.</p> <p>If the test results reveal that the child has contracted COVID-19,</p>	<p>All Room employees of Kamelia Kids</p> <p>Parents</p>

## RISK ASSESSMENT - as at 11 Jan 21

		11) Settling in - parents are in attendance, social distancing between parents and staff is encouraged and face masks must be worn by parents. Track and trace form to be completed on arrival.		<p>please notify the Nursery Manager.</p> <p>Clothing will be staying in the nursery to mitigate the transmission of the coronavirus.</p> <p><b>Updated 08/09/2020</b> Any confirmed cases of coronavirus (Covid-19) in the setting (either child or staff member), and/or if the setting is advised to close as a result, should be swiftly reported to Ofsted through the online incident notification form.</p>	
<p><b>Updated 29/09/2020</b> SEND Children</p>	<p><b>Who:</b> Children Parents/ Carers Staff Visitors</p> <p><b>How:</b> Contact with persons suffering from coronavirus</p> <p>Contact with persons who may have been exposed to coronavirus</p>	1) Care will be needed in supporting children with SEND in the nursery and when they return to nursery: consider social, emotional, and mental health needs and progress with learning and development or missed diagnosis because of a period of absence.		<p><b>Updated 13/10/2020</b> Tracheostomy care: Care staff performing AGPs should follow PHE's <a href="#">personal protective equipment (PPE) guidance on aerosol generating procedures</a>, and wear the correct PPE, which is: a FFP2/3 respirator, gloves, a long-sleeved fluid repellent gown, eye protection.</p> <p>The respirator required for AGPs must be fitted by someone trained to do so. This is known as 'fit testing'.</p>	<p>SENDCO</p> <p>Assistant SENDCO</p> <p>All Room employees of Kamelia Kids</p> <p>Parents</p> <p>Carers</p>

**RISK ASSESSMENT - as at 11 Jan 21**

			<p>Children and young people should be taken from the classroom or shared area for any AGP to be carried out in a designated room - Primrose - with the doors closed and any windows open, individual risk assessments should be carried out. In all instances, efforts should be made to:</p> <ul style="list-style-type: none"> <li>▪ ensure that only staff who are needed to undertake the procedure are present and that no other children or young people are in the room</li> <li>▪ minimise clutter to make the process of cleaning the room as straightforward as possible</li> <li>▪ clean all surfaces and ventilate the room following a procedure and before anyone not wearing appropriate PPE enters.</li> <li>▪ Clearance of infectious particles after an AGP is dependent on the ventilation and air change within the room. For a room without ventilation, this may take an hour</li> </ul> <p>Updated 30/10/2020</p>

**RISK ASSESSMENT - as at 11 Jan 21**

			<p><b>Shielding</b> The UK Chief Medical Officers have issued a <a href="#">statement on schools and childcare reopening</a> which states that there is a very low rate of severe disease in children from coronavirus (COVID-19). New advice for those identified through a letter from the NHS, or a specialist doctor, as being in the <a href="#">clinically extremely vulnerable group (shielding list)</a> was published on 13 October 2020. This includes advice on the additional measures these individuals can take tailored to the relevant local COVID alert level in their area.</p> <p>It states that all children and young people should return to school or college at all local COVID alert levels, including if they:</p> <ul style="list-style-type: none"> <li>▪ are clinically extremely vulnerable (unless they are one of the very small number of pupils under paediatric care (such as recent transplant or very immunosuppressed children) who have been advised</li> </ul>	
--	--	--	--	--

## RISK ASSESSMENT - as at 11 Jan 21

				<p>specifically by their GP or clinician not to attend school)</p> <ul style="list-style-type: none"> <li>▪ have family members or people in their household who are clinically extremely vulnerable</li> </ul> <p>In the future, the government will only reintroduce formal restrictive shielding advice in exceptional circumstances in specific local areas at very high alert level. The government will write to families separately to inform them if this is the case and they are advised to follow formal shielding.</p>	
<p>Updated 03/11/2020 Protecting people more at risk from coronavirus</p>	<p><i>Who:</i> Parents/ Carers Staff Visitors</p> <p><i>How:</i> Contact with persons suffering from coronavirus</p> <p>Contact with persons who may have been exposed to coronavirus</p>	<p>If you are over 60 or clinically vulnerable, you could be at higher risk of severe illness from coronavirus.</p> <p>You:</p> <ul style="list-style-type: none"> <li>▪ should be especially careful to follow the rules and minimise your contacts with others</li> <li>▪ should continue to wash your hands carefully and more frequently than usual and maintain thorough cleaning of frequently touched areas in your home and/or workspace</li> </ul> <p>Clinically vulnerable people are those who are:</p> <ul style="list-style-type: none"> <li>▪ aged 70 or over (regardless of medical conditions)</li> </ul>	H	<p>Individual staff will have a risk assessment in place and a Health Care Plan on file</p>	<p>All employees of Kamelia Kids</p> <p>Parents</p> <p>Carers</p>

## RISK ASSESSMENT - as at 11 Jan 21

		<ul style="list-style-type: none"> <li>▪ under 70 with an underlying health condition listed below (that is, anyone instructed to get a flu jab each year on medical grounds):             <ul style="list-style-type: none"> <li>○ chronic (long-term) mild to moderate respiratory diseases, such as asthma, chronic obstructive pulmonary disease (COPD), emphysema or bronchitis</li> <li>○ chronic heart disease, such as heart failure</li> <li>○ chronic kidney disease</li> <li>○ chronic liver disease, such as hepatitis</li> <li>○ chronic neurological conditions, such as Parkinson’s disease, motor neurone disease, multiple sclerosis (MS) or cerebral palsy</li> <li>○ diabetes</li> <li>○ a weakened immune system as the result of certain conditions or medicines they are taking (such as steroid tablets)</li> <li>○ being seriously overweight (a body mass index (BMI) of 40 or above)</li> <li>○ pregnant - complete risk assessment and follow government guidance issued 11/01/21</li> </ul> </li> </ul>	<p>There is a further group of people who are defined, also on medical grounds, as <a href="#">clinically extremely vulnerable</a> to coronavirus - that is, people with specific serious health conditions. Over this period, we are advising the CEV to work from home. If you cannot work from home, you are advised not to go to work and may be eligible for Statutory Sick Pay (SSP) or Employment Support Allowance (ESA). You are encouraged to stay at home as much as possible but are encouraged to go outside for exercise. The full new guidance will be published on Monday 2 November and the Government will write to everybody who is clinically extremely vulnerable to set out detailed advice while the new restrictions are in place. Current advice is in place at each <a href="#">local COVID alert level</a>.</p> <p>Updated 11/01/2021 Follow this guidance: Coronavirus (COVID-19): advice for pregnant employees - GOV.UK (<a href="http://www.gov.uk">www.gov.uk</a>)</p>
